Since September of '57 we on this staff have been working constantly to bring the students of Lowell High your souvenir book.

We are now able to sit back and survey our finished product. An enormous amount of effort has gone into this publication, and praise is due to the cooperation of the faculty and the student body.

Few students realize the hours Miss Ryan has spent on this product. Without her experience and aid, the publication of the "Spindle" would never have been possible. To her we extend our most sincere thanks.

Many thanks go, also, to the business managers, arrangers, assorters, filers, and artists who helped make "The Spindle" possible.

Class Ode — 1958

Melody: AMERICA THE BEAUTIFUL

We rise to pledge our hearts to you,
Oh Alma Mater true,
In fond farewell, as we go forth
To conquer worlds anew!
The splendid dream, envisioned here,
man's duty unto man,
Will live within the soul of youth,
A way of life to plan!

The worlds anew, that lie ahead
On land, on sea, in space,
Will open frontiers wide to us,
The youth of every race!
You trained us here, our sights to set,
upon the distant star.
In brotherhood, to freedom's beat,
All men will march afar!

LINDA C. GORDON

RAYMOND A. SULLIVAN
Headmaster

To the Graduates of 1958

Once the invention of the spindle as an adjunct to weaving was a wonderful innovation to man. In our age we are awed at the prospect of enormous change brought to us by the expanding development of scientific accomplishment. Yet we feel that each rising generation has always relied on acquired skills, and training in those ageless ideas which will enable them, on reaching maturity, to cope with temporal changes in a world which has always been changing. Influenced by such aims in our contact with the class of 1958, we all here hope that you, its members, have been so trained that you will be able citizens as you continue to weave the fabric of your lives.

Losing talent at graduation didn't prevent Director William J. Notini from giving Lowell High one of the finest bands in the history of the school. Whether it was a football game, assembly, music festival, concert or parade, the excellent Lowell High Band displayed the ability that made it one of the best concert and marching bands in the state. Then came the crowning touch, Lowell High went into competition with every other high school band in the state and came away with top honors. Lowell placed three people in the all-state concert band, more than any other school in the state. This year's band well deserves all the awards, anyone can bestow upon it. Whenever bands are mentioned, the class of "58" will always remember the excellent Lowell High School concert and marching band.

The Student Council at Lowell High consists of pupils who represent each class. As the newly-formed organization becomes more popular we hope to gain more liberties in expressing the wishes of the student body, in accordance with the council's purpose.

The meetings are run by the students alone with a faculty advisor present. Our advisor is Mr. Thomas Murphy, who has done a great deal to get us started. One of our participations in current events has been the discussion of music over a radio station in New Hampshire.

A student council is helpful in any school, and as we begin to know more about a council and its activities, we hope to continue to gain for students the privileges they desire.

Bookroom

Mr. Francis Reardon, organizer and director of the bookroom, appoints girls from the senior class to work in the bookroom. Controlling the distribution of the books taken out by the English teachers is their job.

With coach Stan Stoklosa starting his fourteenth year at the helm, the Lowell High baseballers began work in March with drills in the annex. He later picked a team, captained by Jimmy Garrity, made up of twelve veterans. Because of this, the team looks very promising and they look like a strong contender to cop the Greater Boston flag. Here's hoping the Alumni Field skies are filled with little white missiles hit by our heroes.

Our hoopsters had a poor year as their 3-16 record would indicate. They went into the season hopeful, but soon were dissappointed as they permanently lost their captain and another starter, for most of the year. They won the City Championship by downing Keith Academy in their first game, but lost all their games in the rugged Greater Boston League except the last two, when they came off the canvas to salvage some glory. Coach Al Lenzi completed a span of fours years as coach.

Lowell High track team under the expert coaching of Mike Haggerty had another successful year. Lowell continued its home win streak by defeating Lynn English and Lawrence. Away from home, Lowell lost to Needham and defeated an excellent Philips Academy team. Two of the essential factors of this 3 and 1 record were the captains Joe Valenti and Joe Grygiel. These boys did a fine job and really showed that they deserved the positions they attained.

Cheerleaders

Give a yell! Give a Cheer!—for Lowell High's corps of Cheerleader. The girls are selected from the freshman, sophomore, junior and senior classes. Under the direction of Miss Bawita Lawler, they lead the cheering section at every football game.

Always loyal and ever courageous, the cheerleaders of 1958 have marked memories with their never-dying spirit.

The precision minded Lowell High Twirlers have just finished another successful year under the expert direction of Wilfrid T. Boulger.

Since the fall of 1935 when the baton twirlers made their first appearance at the Thanksgiving football game in Lawrence, they have become one of Lowell High's most popular activities. However, it is not all football games and parades for these girls. They drill for three days a week twelve months a year. It is well worth it because members of the group have won championships all over New England. Almost every girl has won some medals in competition, and they are emblazoned on her pretty gold and white uniform.

This past year Lowell High was very proud to be represented by their sparkling baton corps at football games, Field Day exercises, the Northeastern Music Festival, the School Show and at various parades.

It can be very simply said that the Lowell High Baton Twirlers have an important and unforgettable part in our high school life.

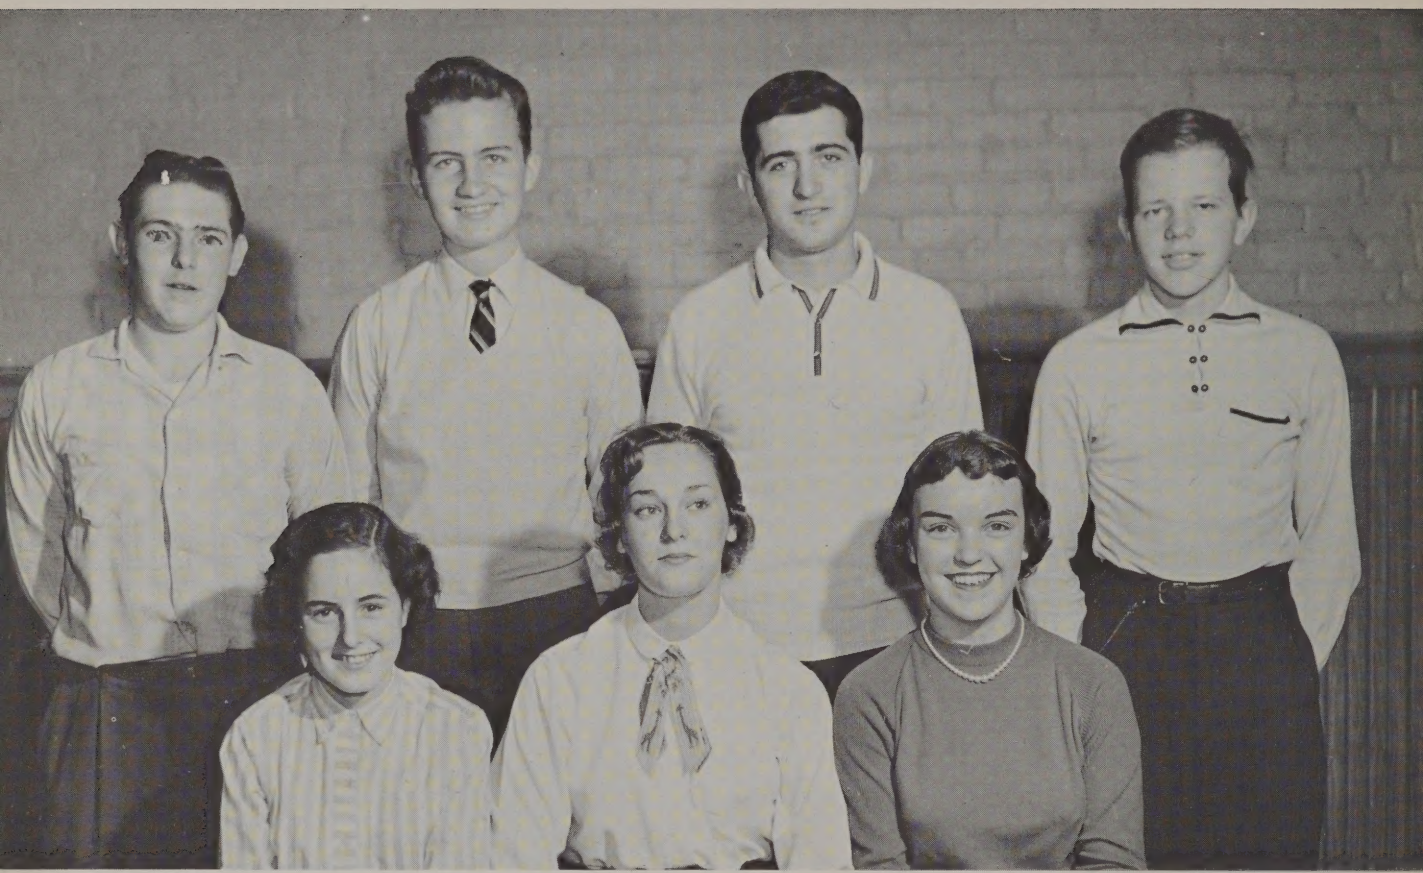
Paint the Town Pink

Friday evening, March 28, at 8 o'clock the curtains opened on Act 1 of PAINT THE TOWN PINK, a wonderful comedy by Ann C. Marters, which concerned the actions of Mansfield High School. As the play progress it was obvious that it could also have been called "Turnabout Day" for the students run classes, and managed the office, while the teachers played students. The cast agreed that without the fine supervision of Miss Mary Casey, Director of Dramatics, the play would not have been such a tremendous success.

Student Library Staff



Front: Mary Shugrue, Bonita Butler and Maureen Hession. *Rear*: Raymond Mercier, Edward Kelly, Arthur Prevenas and John Janecszko.

Students in the library staff serve one period a day in the library. The staff members learn how to check books in and out, and how to replace the books in their proper places on the shelves. They deliver attendance slips to the study halls and learn the use of the card catalogue and reference station. Not only do the students learn a great deal about library work, but they also have the chance to use the many good books that are available for reference, study and recreation.

One of the highest honors that can be achieved by a student is to be chosen as a member of the National Honor Society. Founded in 1927 under the supervision of Miss Helen Choate, it is presently guided by Mr. Charles D. Foley. The Flaming Torch lighting the road of life is its emblem. A Junior must rank among the highest 5%, and a Senior must be one of the top 15% before he can be considered for membership.

The watchwords of the Society are Character, Scholarship, Leadership and Service. People who are appreciative of the basic values of life, who have good character, are needed if there is to exist a free world for years to come. Scholarship gives evidence of willingness to achieve what one has set out to do. Leadership consists not of being at the head of everything, but of helping others to see what is right. Unselfishness, class spirit, and helpfulness are implied by service.

The aim of the members of [illegible] Society is not only to be great, but good as well

Senior Home Room Representatives

The Senior Home Room Representatives are elected by their respective home rooms. Throughout the year they prove a great assistance in collecting for various funds, selling tickets for the school shows, and also for the collection of class dues.

Commercial Department Secretaries

Front: Janice Coit, Louise Gansler and Barbara Langan. *Rear*: Mary Flynn, Marie Mullen, Mary Bobola and Elaine Cuipa.

The Commercial Supply Department, under the direction of Mr. Edward J. Sullivan, is efficiently run by a small group of seniors and a junior girl. The girls control the inventory and fill the orders of teachers for notebooks, paper, and other supplies.

The society is under the direction of Mr. Francis D. Reardon, Faculty Advisor. The officers this year include: President, James O'Leary; First Vice-President, Judith Green; Second Vice-President, Edward Rindler; Secretary, Marilyn Swartz; Sergeant-at-Arms, William McDonald.

For this year the topics for debate by the National Forensic League were two:
RESOLVED: That United States economic aid to foreign countries should be limited to technical assistance and disaster relief, and
RESOLVED: That United States foreign aid should be increased.

They are required to have good typing grades, a neat appearance, and shorthand efficiency, so that they can cover such duties as typing, filing assignments, sending out tardy slips, and recording books.

They spend their spare periods in offices of the floormasters, gaining practical experience which will aid them to prepare for future, professional work.

With perfect posture, eyes front, flashing swort and pointed toe, the Girl Officers have once more gained the admiration of all.

Under the supervision of Miss Bawita Lawler, the girls learn the fine points of marching, dancing, posture, voice and mass drill, and are justifiably proud to wear the navy blue uniform with brass buttons and gold chevrons.

During the Junior year, the girls spend long hours perfecting their exercises. The choice of the leaders for the forthcoming year is made in June by three out-of-town judges. The officers, as chosen leaders, teach the underclassmen the gym exercises, and try to develop future Girl Officers.

Cooperative Retailing

Th Co-operative Retailing department was established at Lowell High School in 1942 and is available to seniors who are sixteen years of age or older.

The Co-operative plan of combining in-school training for High School seniors with related practical experience on supervised jobs has been very successful. Students are in school in the morning, and during the afternoon are on supervised job placements where they are paid the prevailing rate of pay for the hours worked. Lowell merchants cooperate with the school in providing the training and supervision on the jobs.

Two personnel directors from our local stores interview prospective students at the end of their junior year. Their previous high school record plus the personnel director's rating determine which students are acceptable for employment.

This department is under the supervision of Miss Claire A. Quigley, teacher-coordinator.

The Math Clubs

This year a new club has been initiated at Lowell High School. The Math Club, as it is called, is under the direction of Mr. Joseph Regan, and is open only to high school seniors taking trigonometry and solid geometry. The club was formed in order that it might interest more students in mathematics. The members meet two Fridays a month, and different projects in math are presented by the program chairman.

Just recently the club gained membership in The Mu Alpha Theta, The National Mathematics Club. We wish to congratulate those who made this organization possible and hope that they will have future success.

This fine department is responsible for all mimeograph work done in the school, such as printed tests, office forms, absentee lists, daily notices and schedules.

These girls are a picked group, chosen for their outstanding work in shorthand and typewriting in their Junior year by Miss Mary V. Lyons, head of the Personnel Department.

For seventy-one years a "Review" has been published each month in Lowell High School. At first a small newspaper, then as a magazine, and for the past seventeen years in its present format, the paper has been produced by a carefully selected staff which represents the whole school.

Directed by Miss Anna Ryan, the staff is chosen from a long list of applicants. This year the editor-in-chief, William McDonald; William Casper and the business manager, John Lawlor, were especially active on the staff. One of the 1958 innovations on the paper was the election of Mary Jo Mangan as "Miss Review".

SPORTS

Avenging a 7-0 setback administered by the Red and Gray in their first meeting at Union City last year, St. Michael's High topped L. H. S. by a score of 20-6.

TRACK

In the last Cross Country track meet of the year, Lowell downed Lawrence with Ray Hodge coming across the finish line first, followed by Co-captain Joe Valenti. The next two runners were Lawrence men and placing fifth was Co-captain Joe Grygiel.

The Lowell High School basketball team has had rough going so far this season. The Red and Gray have compiled a poor one and six record. Despite the poor record the Red and Gray have looked good at times.

BASEBALL

Yep, its baseball time again. The pitchers and catchers started working out at the annex after vacation along with a few infielders. Jay McHale, who will catch for the club this season, is warming up the hurlers to ready them for the first game with Concord. Coach Stan Stocklosa will be fielding a capable team by the time the season rolls around with three-year men like Joe Farrell, Jimmy Garritty, George Cunha, John Slattery, Peter Peladeau and Jay McHale. Underclassmen like Brian Egan and Mike Wilson will be sharing the load also. It will be interesting to see what the future holds in store for the boys this season, and we are sure that the whole student body will be wishing them the best of luck.

Anthony's Anecdotes

Dear Doc:

I'm not sure, but I don't think people like me. Teachers trip me when I pass them; I got all E's on my report card; while I buy the milk for everybody on my table, the kids eat my lunch and tear up my homework papers. Last week someone stole my locker key, and this week some one stole my locker. I hope I'm not developing a persecution complex, but somehow I just can't help it. Do you think I'm really unpopular or it it my imagination?—Alfred E. Newman.

Dear Al:

Off hand I'd say you were disliked to a certain degree. Here are some suggestions: (1) Try handing out money and presents to your "friends." (2) Buy milk for about five or six tables instead of just one. If (2) doesn't work put some poison in your sandwiches.

Do you think that the city should install parking meters on the Pawtucket Boulevard?

Estelle Desrosiers: "Yes, they would make a mint if they did!"

Phil McGowan: "I don't know. What's so special about the Pawtucket Boulevard?"

Pat Upton: "No, my boy friend would go bankrupt if they did."

Bill Sullivan: "Yes, more income from meters would decrease taxes."

Eleanor Bartlett: "No, there are enough parking meters around now!"

The complete course takes a year, adds a point toward graduation, and reduces insurance rates. The success of Driver Education will be told in a future of fewer accidents.
